

NIGHTTIME SCAVENGER HUNT

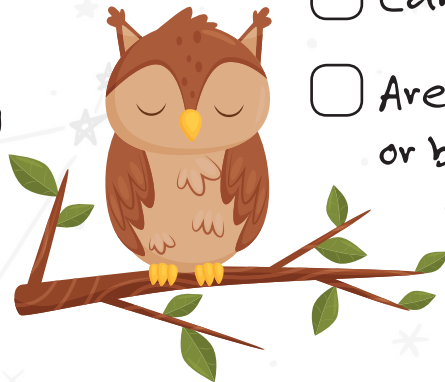

Choose a clear night and go exploring in the hills, at the beach or even in your local park. Discover the sights and sounds of things that dare to come out in the dark hours, and make sure you bring a torch. Pack some extra layers to keep warm, and never set out on a night time adventure without a flask of hot chocolate in your backpack!

CAN YOU HEAR OR SEE THE FOLLOWING THINGS?:

What animals can you hear?

- An owl hooting
- The cry of a fox
- A cat fighting
- Birds tweeting
- Crickets chirping
- Toads croaking

- Spot 3 planes
- Spot a shooting star
- Can you identify the international space station?
- Can you find a glow worm?
- Are there any lighthouses or beacons in the area?

Find a constellation and draw it:

Draw the shape of the moon:
